

You're officially a Charger! Here are the next steps that should be top of mind as you prepare for your first year at UAH.

Set Up Your MyUAH Account

Visit uah.edu/oit/services/duo for instructions on setting up your multi-factor authentication required for accessing your UAH student accounts. Once your MFA is activated, visit reset.uah.edu and follow the prompts to set up your myUAH password. As a UAH student, you will use your myUAH account to apply for housing, accept/decline financial aid, register for classes, view your grades, pay your bill, and more.

Access Your UAH Email

Visit mail.uah.edu and enter your Charger ID followed by @uah.edu as the username, and your myUAH password.

Request Your I-20

Follow the steps on the included I-20 checklist to locate the correct email and begin the process to request your I-20.

Connect With Your Advisor

Contact your program coordinator to discuss class selection and your program of study. You can find the contact information for your program coordinator at uah.edu/graduate/programs.

Accept Your Scholarships

Once you receive your official financial aid award package from the Office of Financial Aid via your UAH email address, accept or decline your scholarships through your myUAH portal. Visit uah.edu/acceptmyscholarship for step by step instructions.

Register for New Student Orientation -

At New Student Orientation, you'll have the opportunity to meet with an academic advisor about class registration, learn more about student involvement opportunities, discover tools and resources to support your academic success, and meet current UAH students.

Submit Your Immunization Records -

Complete the immunization form and the Tuberculosis Risk Questionnaire, and upload to the Charger Health Portal at uahportal.pointnclick.com. For questions, contact the Student Health Center at 256.824.6948 or immunizations@uah.edu
